\$9,472 BEQUEST
TO UM FOUNDATION

MISSOULA--

The University of Montana Foundation has received a bequest totaling \$9,472.50 from the estate of the late Mrs. Marie Holder of Livingston.

UM President Robert T. Pantzer, a former Livingston attorney, was sent a check for that amount from the office of Jack Yardley, a Livingston lawyer, through Mrs. Robert Julian, Livingston, who is the executrix of Mrs. Holder's will.

Pantzer said income from the bequest would be used to provide an annual scholarship for a full-time University student from Park County, at the request of Mrs. Holder.

The student to receive the award will be named by the UM Scholarship and Loan Committee, which is made up of faculty members and students.

Mrs. Holder, a long-time friend of the University, died last April. She was a former Montana school teacher and wife of the late Dick Holder, a prominent central Montana rancher.

The high schools in Park County are at Livingston, Clyde Park, Wilsall, and Gardiner.
